Applicant's election of Group II, claims 12-19, in the reply filed on 12-2-4 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Cancel claims 1-11.

The following is an examiner's statement of reasons for allowance:

The following is an examiner's statement of reasons for allowance: The prior art does not teach the claimed invention as a whole, including the sealant layer comprising a dielectric material having a functional group bonded to the pendant functional group of the low-k material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays,
